

Dear Parents

A Warm Greetings from Notre dame of Holy Cross School.

Diwali, the festival of lights and the festival of happiness is here again to celebrate with great grandeur and excitement. People celebrate Diwali with great enthusiasm as Lord Ram came back to Ayodhya after 14 long years. So people illuminate their houses in order to welcome their Lord and have massive celebrations.

Dear Parent friends, as I come to wish you the seasonal greetings, I wish to tell you that the world is speeding up with technology and paraphernalia. The world is speeding up with money and muscle power. The world is speeding up with sheer poverty and massive richness. Nevertheless celebrations like Diwali help us to take a break to celebrate the festival with family members. May I request the parents and children more than bursting the crackers let us spend time together with our family members and share the joy and happiness. May this celebration help us to break the barriers and reconcile with one another. May this celebration connect along with love and humanity. May this celebration light up the world; no matter how little our light is, they can still light up the whole world and bring us out of our dark agonies. May the festival of lights be the harbinger of joy and prosperity. May God bless all of us.

1. Diwali Celebration at School

The school will have Diwali celebration on 17th October 2017. The children are permitted to come with their new attire purchased for Diwali. However the decorum and decency in dressing should be maintained. 17th October the school will function half day only. Dear Students, I believe that without bursting the crackers Diwali will not have a good end. However, I appeal to the students of Notre dame to celebrate this festival as a pollution free festival.

2. Spectaculum 2017

Dear parents, The spectaculum 2017 (Science Exhibition) was a grand success this year. Our school children from class IV to XI numbering 1110 participatory exhibited 358 innovative working models and investigation based projects. The programme was inaugurated by Mrs. Meenakshi Sethu, Correspondent of Emerald Valley Public School, she was highly impressed by the presentations and congratulated the participants. The judges applauded the students for their novel ideas which would help the world to become a much better place to live in. on behalf of the management I would like to thank the parents who took a lot of initiative and helped our students to exhibit their creativity and novelty. I would like to thank the teachers the source of inspiration to all of us who helped to organise this great event.

3. NTSE Scholarship Program by Aakash Academy

We are glad to inform you that our school is the centre for the National Talent Search Examination based on CBSE syllabus of classes 8 to 10 conducted on 29th October 2017 by Aakash Medical IIT, JEE foundations, New Delhi. We wish that all our students of classes VIII to X participate and win as many scholarships as possible. The brochure along with other details will be given to you on Monday or Tuesday. The fee towards this examination is Rs.100/- we request the parents to extend your full cooperation and help them to take part in this examination.

4. Dengue Fever

Dengue is the current advent to Tamil Nadu causing tension, worry and Death. As we read in the newspapers and media there are so many people who die due to this sickness. We need, therefore, to protect ourselves from this evil disease. May I request the parents to maintain clean and hygienic environment at home. Secondly I appeal to the parents to advise your ward to drink more water at home and in School. Let us chase this sickness away!

5. Handwriting Course

The handwriting course is arranged for the students to improve their handwriting. It has come to our knowledge that few students are not taking up this course as important one by not bringing the four line not books and a pencil. May I ask the students to make use of this opportunity and use it for the improvement of your handwriting. Do not while away the time. The handwriting course for the students of class I to VIII will resume from 23rd October onwards.

6. LKG Admissions:

Application forms are being issued in the school office for LKG new admission. The parents who are interested in joining their little ones in the school may collect the application forms and return them after duly filling in all the particulars required.

7. Suggestion Box:

It is a gentle reminder to the parents that two suggestion boxes have been installed in the school premises. One of the boxes is fixed in the high school zone and the other is in the primary section. The parents are encouraged to come out with their valuable suggestions.

8. Drafting Leave Letters:

It has been repeatedly informed to the parents that the Leave letters must be drafted only by the students and not the parents. The students must be at ease to frame any type of leave letter. Please encourage your wards and give them freedom to bring forth their ability and originality. They should learn right things at the right time.
